6. Click on the hyperlink in the verification email to continue the registration process.

A rectangular button with a dark blue header containing the text "Do not have DoD CAC" and a white body containing a "Register" button.A form with a dark blue header containing the text "Enter your email address". Below the header is a text input field with a green border, and at the bottom are "Continue" and "Cancel" buttons.

NOTE: Make sure that emails from REGHelp@dtic.mil are not being blocked. You can also contact DTIC's Customer Access Team for assistance at 800-225-3842 (selection 4).

7. Re-enter your **work** email address and enter the token from the verification email. Your email address must match your previous entry.
8. Click the **Validate** button.
9. Choose I am a US DOD Contractor: or participating in SBIR, or affiliated with an institution designated.
10. Fill out the **registration application**.
 - Enter your **contracting company name** on the **organization line**. This is the company that pays your salary.
 - Enter your **work address**.
 - Enter **valid prime contract number** in the Prime Contract Number field.
 - Enter your **contract classification**.
 - Enter a **valid expiration date** for the contract.
 - **Militarily Critical Technical Data Agreement Certification Number** and Expiration date. Leave blank unless you would like to have access to export controlled information. If you are not the custodian of the certification, DTIC will require the custodian to send an email to REGHelp@dtic.mil giving you permission to use the certification.
 - Select the **Type of Access** required:
 - *Unclassified, Limited (UL)*
 - Enter **government approving official's** contact information – name, phone number, email address, title and organization name. Government approving official should be the contracting officer, contracting officer's representative or program manager over the contract being submitted. **(Mandatory for non CAC contractors)**
 - Enter **security officer's** contact information - name, phone number and email address; **only** if requesting secret.

NOTE: If you are working on a **military base**, enter the facility security officer's contact information. If you are working at **your contracting company's location**, enter your company's security officer contact information. Also, DTIC requires all contractors to provide their contracting company's CAGE code, regardless of their location, for facility clearance verification through Defense Security Service (DSS).

NOTE: An email will be sent to the government approving official and security officer (if provided) requesting approval of your request.

- Click on the **Submit** button. You will receive an email confirming the receipt of your application. This email is not an approval notice.

After successful processing of your application, you will receive a **welcome letter** via email with your DTIC login ID. You will then be able to access the DISTRO D materials on the Marketplace.
